

# Framework for measuring participation

1	<b>GOAL</b> <i>What concrete change are you trying to achieve with your participatory initiative?</i>	
2	<b>Signaling Metrics</b> <i>What are the indicators that signal progress toward achieving your goal?</i>	<b>Confirming Metrics</b> <i>What is the tangible proof that confirms progress toward achieving your goal?</i>
3	<b>Benchmarks</b> <i>How will you quantify each of your signaling metrics?</i>	<b>Benchmarks</b> <i>How will you quantify each of your confirming metrics?</i>
4	<b>Gathering Data and Learning</b> <i>What is your process for gathering data and learning from what you measure?</i>
