

Framework for measuring participation

1	GOAL <i>What concrete change are you trying to achieve with your participatory initiative?</i>	
2	Signaling Metrics <i>What are the indicators that signal progress toward achieving your goal?</i>	Confirming Metrics <i>What is the tangible proof that confirms progress toward achieving your goal?</i>
3	Benchmarks <i>How will you quantify each of your signaling metrics?</i>	Benchmarks <i>How will you quantify each of your confirming metrics?</i>
4	Gathering Data and Learning <i>What is your process for gathering data and learning from what you measure?</i>
